

The Woodlands College Park Marine Corps JROTC

Greetings!

I am reaching out on behalf of The Woodlands College Park Junior Reserve Officer Training Corps (JROTC) program. We have begun our fundraising efforts for the 2023/2024 season and are seeking potential sponsors in the community to help.

The costs of running a competitive JROTC program in Texas continue to rise, and we are doing our best as a booster club to keep the costs manageable for individual families. We do this by carefully managing our budget, offering several different fundraising opportunities, and by seeking out sponsorships from area businesses, families, and friends. Your support makes a huge difference!

Please see the links below for a look at this year's national champions and award-winning cadets. We would be happy to meet with you at your convenience to discuss the possibilities for sponsorship and how we, in turn, can promote your business. I look forward to hearing from you!
