To whom it may concern:

The Junior Reserve Officer's Training Corps (JROTC) is a military regulated high school program whose purpose is to educate high school students in leadership roles while making them aware of the benefits of citizenship. The Woodlands College Park (TWCP) JROTC program is able to offer students various leadership opportunities, drill team competitions, and program trips. There are currently 80 students participating in the program and we have already been able to provide various drill team competition opportunities located in San Antonio and St. Louis and supplies needed to compete in these competitions.

These opportunities are made possible by generous donations from businesses and organizations to the booster club. In order to continue to provide supplies and opportunities for the students, we are asking for donations. Along with this letter is the Donation / Sponsorship form that outlines the different amounts to donate and what they will go towards. Additionally, this year, the JROTC has been preparing to attend the 2022 National Drill Team Championship in Daytona Beach, Florida this coming April. The estimated budget for this competition is approximately: \$70,000

Hotel- \$30,000 (2 Sponsors at \$15,000)
Flight and Transportation - \$20,000 (2 Sponsors at \$10,000)
Competition Fee- \$5,000
Custom Rifles and Bags - \$8,000
Uniforms- \$5,000

Whether it is a sponsorship item from the form or a custom amount that can go towards Daytona, anything is appreciated and 100% goes towards supporting the students this school year. The booster club is a 501C organization, so you are eligible for a deduction when you file your taxes. Additionally, we are able to provide something for your business / organization in return. The students are willing and able to volunteer at various events, as well as perform a drill routine.

Please consider supporting a local youth program and thank you for your time,
